- Student Led Conferences are on Wednesday, March 11, and Thursday, March 12. There will be early dismissal on these days.
- Every student led conference looks different, but mostly consists of students showing their work. This is an opportunity for students to share their learning. The teacher will be in the classroom, but only for support. If you need to talk to the teacher, please make an alternate appointment, as Student Led Conferences are about celebrating your child's learning.
- Teachers have provided blocks of time to accommodate schedules. If none of these times work for you, please reach out to your child's teacher for other dates. They will accommodate you.
- Spring Break will be two weeks long
- Como Lake Relays are an opportunity for Grade Fours and Fives to do a cross-country race. They form a team of 4 students, do a lap, and tag their partner. This is a celebratory event. Please check out the event if you can. Parking can be a challenge, but is worth it for the event!
- Grade 4/5 Basketball is currently happening, with a focus on skill building, Mr. Jamieson is leading this. He is inviting other students to join to meet other students
- Kindergarten registration: There is a solid number of enrollments for Montessori (15), and for neighborhood (21). The cap for a kindergarten class is 20. Cross-catchment process is happening and will shift numbers. Blended grade level classes are a part of the school and this has its benefits. There is a possibility for two K/1 classes. Classes will be arranged with all needs in mind.
